Grand March

Benediction

"LIFT EV'RY VOICE AND SING"

Lift ev'ry voice and sing, 'til earth and heaven ring,
Ring with the harmonies of Liberty,
Let our rejoicing rise high as the list'ning skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us;
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on - 'til victory is won.

Stony the road we trod, bitter the chast'ning rod
Felt in the days when hope unborn has died;
Yet with a steady beat, have not our weary feet
Come to the place for which our Father's sighed.
We have come over a way that with tears has been watered;
We have come treading our path thru the blood of the slaughtered;
Out of the gloomy past, 'til now we stand at last,
Where the white gleam of our bright star is cast.
